The plan pays the percentage shown after the deductible is satisfied up to the maximum. Additional information about the benefits and covered services of this plan will be included in the certificate booklet, which you will receive after enrolling for this coverage. Please contact your employer or benefits administrator if you have questions prior to enrolling.

The plan provides the same coverage levels for both In-Network and Out-Network services. However, because In-Network providers offer their services at predetermined fees, out-of-pocket expenses may be lower for plan members when receiving covered services from an In-Network provider.

The Maximum Allowance for Out-Network Services is based on the 95th Percentile as determined by Mutual of Omaha. Charges that exceed the Maximum Allowance (as defined in the certificate booklet) for any covered dental service are not considered.

ROLLOVER BENEFIT PROVISION

The Rollover Benefit provision allows you and your dependents to save your dental benefit dollars for when you need them most. With this provision, Mutual of Omaha will “roll over” a percentage of the Policy Year Maximum Benefit for each insured person in a given calendar year, increasing the following Policy Year maximum for that insured person (subject to certain conditions). Rollover calculations are determined based on In-Network provisions.

ANNUAL OPEN ENROLLMENT PERIOD

The plan has an Annual Open Enrollment Period. Any Benefit Waiting Periods or Late Entrant Waiting Periods will be waived during this time period.
